§ 353.13 Employee plans—Conditions of eligibility.

(a) *Definition of plan.* Employee thrift, savings, vacation and similar plans are contributory plans established by the employer for the exclusive and irrevocable benefit of its employees or their beneficiaries. Each plan must afford employees the means of making regular savings from their wages through payroll deductions and provide for employer contributions to be added to these savings.

(b) *Definition of terms used in this section.* (1) The term *assets* means all the employees' contributions and assets purchased with them and the employer's contributions and assets purchased with them, as well as accretions, such as dividends on stock, the increment in value on bonds and all other income; but, notwithstanding any other provision of this section, the right to demand and receive *all assets* credited to the account of an employee shall not be construed to require the distribution of assets in kind when it would

31 CFR Ch. II (7-1-05 Edition)

(2) The word *beneficiary* means: (i) The person or persons, if any, designated by the employee in accordance with the terms of the plan to receive the benefits of the plan upon the employee's death or (ii) the estate of the employee.

(c) *Conditions of eligibility.* An employee plan must conform to the following rules in order to be eligible for the special limitation provided in §353.10.

(2) *Purchase of bonds.* Bonds may be purchased only with assets credited to the accounts of participating employees and only if the amount taken from any account at any time for that purpose is equal to the purchase price of a bond or bonds in an authorized denomination or denominations, and shares in the bonds are credited to the accounts of the individuals from which the purchase price was derived, in amounts corresponding with their shares. For example, if \$50 credited to the account of John Jones is commingled with funds credited to the accounts of other employees to make a total of \$5,000 with which a Series EE bond in the denomination of \$10,000 (face amount) is purchased in December 1980 and registered in the name and title of the trustee, the plan must provide, in effect, that John Jones' account be credited to show that he is the owner of a Series EE bond in the denomination of \$100 (face amount) bearing an issue date of December 1, 1980.

(3) *Irrevocable right of withdrawal.* Each participating employee has an irrevocable right to request and receive from the trustee all assets credited to the employee's account (or their value, if the employee prefers) without regard to any conditions other than the loss or suspension of the privilege of participating further in the plan.
